Environmental Protection Policy

It is the policy of this company to ensure that as far as is reasonably practical it does nothing to harm the environment or cause nuisance to others by its actions.

The company shall take action as required to ensure that any and all waste products generated by the company are disposed of in an environmentally friendly manner and in accordance with current law and any local regulations which may apply.

The company shall ensure that its neighbours are not harmed in any way by its actions, preventing as far as is practical any nuisance caused by fumes, dust, smoke noise etc. which may be generated by the company's operations.

The company shall endeavour to ensure compliance with applicable regulations including, but not necessarily limited to the current versions of:

Pollution Prevention and Control Act

Clean Air Act

COSHH Regulations

Environmental Protection Act

Noise and Statutory Nuisance Act
